100 questions and answers related to *Seerat* of the Prophet Muhammad (Sallallahu Alaihi Wasallam)

Dr. Mohammad Ahmad Naeemi
Asst. Professor Hamdard University, New Delhi

It is a matter of great happiness that a good number of our Muslim children now go to schools and colleges to get education, but it is a matter of great regret and concern that due to the education system prevailing in schools and colleges, our children do not have a brief account of the life of the Holy Prophet (Sallallahu Alaihi Wasallam). They are not even aware of the one whose life has been presented by Allah as a model for the success of all humans until the Day of Judgment, as it is in the Holy Qur'an: **There is indeed a good model for you in the Messenger of Allah - for the one who has hope in Allah and the Last Day, and remembers Allah profusely**.. **(Surah Al-Ahzab 12)**

Therefore, every moment of the life of the Holy Prophet (ﷺ) is a model for the people who will come to Qiyamat (doomsday). Allah Ta'ala has kept all the *Sunnats* of His Beloved Hazrat Mohammad Mustafa (ﷺ) alive even today, if not collectively, then they are certainly being practiced individually. I am presenting brief information about the biography of the last Prophet (ﷺ) in the form of 100 questions and answers with the hope that you will read them yourself and make your children learn these questions and answers by heart. The blessed age of the Holy Prophet was 63 years. In sha Allah, this will be continued till the end of the day.
